Payment and Insurance Information

- Dr. Edwards charges an hourly rate for office visits. The patient is only charged for time spent with her. An average office visit lasts fifteen (15) to thirty (30) minutes.
- All lab/blood testing and other diagnostic testing (such as xrays, CAT scans, etc) are typically covered under most health insurance plans. However, ***since Dr. Edwards is not a provider with Medicare, Medicaid, and United Health Care, she cannot order testing other than laboratory/blood work.***
- Salivary testing is typically not covered by health insurance. The cost ranges from \$129.00 to \$240.00 depending upon the type of saliva testing ordered.
- An annual administrative fee of \$75.00 is charged to all patients to cover the costs of telephone prescription refills, discussions with office staff, completion of work or school related forms, written correspondence, etc.
- All patients are provided with a form with our information which they can submit to their insurance companies. ***There is no guarantee that your insurance company will reimburse you for your office visits with Dr. Edwards.***
- All vitamin infusions and vitamin injections are covered submitted to insurance.
